Message from St. Germain (channeled by Brigitte Boyea):

Greetings, my dear friends and fellow light workers,

We know that many of you feel the heaviness of uncertainty within your heart. You are being told that everything will be alright, to keep having

trust and faith. Yet the journey has been a long one with many twists and turns, mountains and valleys. You have lost and you have gained and your body reminds you of the wounds from the past.

Even though you know in the depth of your own Self that you are being prepared for something, that something still eludes you. Is your belief system real? Is everything you do in form of self-healing as well as service to others making a difference? What if there are endless amount of layers of human karma to lift and you will never reach the level of the true mystic who is free of attachments and in a place of love and peace at all times? It doesn't help that you receive guidance from powerful spiritual teachers on social media and all the other ways available to humanity today, who often had an incredible difficult phase in their lives that brought them to the level of wisdom they have now. So you wonder if you have to experience such pain or difficulty, too, and if you have to lose everything to gain it all.

We are here to tell you that it is not about having to lose everything, but about being willing to let go of everything that no longer serves you. There is a difference. Loss of everything can truly incorporate everything, letting go of what no longer serves you is a choice that will only release from your life those aspects you have outgrown and that will then in turn bring to you that what is truly in alignment with your heart, soul and spiritual Self.

Often you witness the world of someone else falling apart and you take on their pain of this experience like it is your own. In reality it has absolutely nothing to do with you. So breathe out the pain that belongs to someone else, stop wondering what it would be like if it was you in this same situation and offer support to those in need through heartfelt love and compassion, not by participating in their sadness. This is not being selfish, but rather being in integrity with your own Self.

If there comes a time you experience any form of loss, be reminded that all you need is already available to you. Loss is necessary to create space for the new to enter your life.

If you ever doubt that all you need is available, stop running from your fears and enter a place of silence. You can use music to support this process. Only when you are willing to stop running from yourself, will you begin to hear the voice of your own divine Self. It won't judge you,

it won't tell you that you are wrong. All it wants to give you is love and comfort to keep you going when nothing else will. It is the spirit that lives within everything. It is the only aspect of yourself that will ensure your liberation from the limits of the past as you release your own self-judgment and self-loathing.

I am here to tell you, to remind you, to ensure to you, that all of your efforts are not a waste of time. It is only the fear of letting go of control and the fear of letting yourself fall into the loving embrace of spirit that makes life so painful for you at times. Change is inevitable. It is the way creation keeps evolving to new levels of existence until the time it merges back into "All That Is", back into oneness. Change is Transformation. It is what you came here to do. So embrace it with love and see it as the adventure that is waiting for you to participate to give birth to a new consciousness on earth.

I am St. Germain and my love and blessings are with you, always.

An Internet Radio Event of Transformation
with St. Germain

Join us for a monthly radio show with St. Germain
channeled by Brigitte Boyea with celestial music by Mike Snyder and
celestial healing support by Mark Rawson

In these times of great change and new beginnings, it becomes increasingly more difficult to walk the path alone. Therefore use this radio show as an opportunity to receive love and support from someone who has walked the path of enlightenment and ascension before you.

Much has been written about St. Germain. Incarnation after incarnation he participated in freeing the human mind from restricting thought patterns in his constant attempt to liberate the human spirit from the bondage of the past. Now working from the higher realm as an ascended master of transformation, higher truth and mercy, his focus is again to guide you in this process of liberation and to remind you of your true divine origin.

In this one and a half hour radio event, St. Germain will use Brigitte Boyea and Mike Snyder as his channels to convey messages of love, empowerment and divine wisdom.

Mike Snyder will bring St. Germain's essence to you by playing his piano in alignment with the celestial realm. As music is a universal language that does not know barriers, it brings healing on a very deep level allowing you to open up your heart further to the divine love within and around you.

At the same time, Mark will add his powerful oneness blessings to Mike Snyder's channeled music bringing much healing and empowerment to the listeners.

Brigitte Boyea will then become St. Germain's voice. He will address current world issues and provide guidance to assist you in making new choices in your life. St. Germain will also take you on powerful inner journeys to offer specific energy attunements that unleash great transformational forces. This will further support you to live a life in alignment with your heart on your path of enlightenment.

To close the radio show Mike Snyder will play another channeled piece of celestial music to help you integrate what you have received during your time with St. Germain.

If time permits, listeners will be able to call in live to ask St. Germain a question. Callers are usually getting the opportunity to talk to St. Germain around 9 pm. The telephone number is 1-646-716-9663.

Don't miss this great opportunity to receive additional support at a time where it is so easy to lose track of what is important in your life. Remember, it is really you who is important and it is you who is loved and has not been forgotten. Therefore take this time for you. You deserve it.

Love and blessings,

The Hierarchy of Light
