Message from St. Germain (channeled by Brigitte Boyea):

Greetings, my dear friends and fellow light workers,

*This is a time of accelerated awakening that simply can no longer be ignored.
The storms and earth quakes, the wild fires and mud slides, the droughts and*

flooding, all of this is not only raging on the surface of the earth itself, but within each and every one of you as well. It is your soul calling out to you to take the necessary steps to liberate yourself from the limitations of the past.

Everything in your life is being shaken up to get you to further release what no longer serves you. Just like a hurricane pulls in air (thoughts) and water (emotions) into its inner core to be re-evaluated and to then get released back out into the environment, you, too, are doing the same in your own life. Don't be afraid of this process. It is necessary. If you are willing to hold true to your core connection within, your own eye of the storm, which is your alignment to your divine Self, then this will become your place of peace and power. This can help you re-direct the storm of transformation that is taking place around you. As you focus on this inner peace, infuse the outer environment with love and light directed from within. This will make what appears to be a storm less destructive and dramatic in general.

Don't be afraid of who you are becoming. Often it might still seem to you that the journey to go from your limited Self of fear to your liberated Self of love and joy will never come to an end, that when you take one step forward you end up taking two steps back. But that is not true. That is the illusion to break. You are, in fact, unfolding beautifully from one moment to the next and have been for some time now. Your heart is getting stronger maintaining deeper connections with the divine. Your mind is more illuminated keeping you in a place of love longer. Don't let the drama and pain of those around you seduce you into believing that you, too, should have no hope for a better tomorrow. Always acknowledge that you are walking the path of all those who mastered ascension before you in the lineage of the Christ. This, you don't just do for the Self, but to assist in the awakening process of many others as well.

Remember, your work is love, not fear, hope, not despair, forgiveness, not hatred. But should you end up feeling hate, despair or fear, forgive yourself for your humanness. Every time you descend into the darkness and find your way back into the light is a time where you make the path of ascension more obtainable for all.

Love and blessings to all of you. I will continue to be your faithful friend, guide and teacher during this time of transformation. Call on me and I will assist you on your journey of liberation.

I am St. Germain and it is so!

An Internet Radio Event of Transformation
with St. Germain

Join us for a monthly radio show with St. Germain
channeled by Brigitte Boyea with celestial music by Mike Snyder and
celestial healing support by Mark Rawson

In these times of great change and new beginnings, it becomes increasingly more difficult to walk the path alone. Therefore use this radio show as an opportunity to receive love and support from someone who has walked the path of enlightenment and ascension before you.

Much has been written about St. Germain. Incarnation after incarnation he participated in freeing the human mind from restricting thought patterns in his constant attempt to liberate the human spirit from the bondage of the past. Now working from the higher realm as an ascended master of transformation, higher truth and mercy, his focus is again to guide you in this process of liberation and to remind you of your true divine origin.

In this one and a half hour radio event, St. Germain will use Brigitte Boyea and Mike Snyder as his channels to convey messages of love, empowerment and divine wisdom.

Mike Snyder will bring St. Germain's essence to you by playing his

piano in alignment with the celestial realm. As music is a universal language that does not know barriers, it brings healing on a very deep level allowing you to open up your heart further to the divine love within and around you.

At the same time, Mark will add his powerful oneness blessings to Mike Snyder's channeled music bringing much healing and empowerment to the listeners.

Brigitte Boyea will then become St. Germain's voice. He will address current world issues and provide guidance to assist you in making new choices in your life. St. Germain will also take you on powerful inner journeys to offer specific energy attunements that unleash great transformational forces. This will further support you to live a life in alignment with your heart on your path of enlightenment.

To close the radio show Mike Snyder will play another channeled piece of celestial music to help you integrate what you have received during your time with St. Germain.

If time permits, listeners will be able to call in live to ask St. Germain a question. Callers are usually getting the opportunity to talk to St. Germain around 9 pm. The telephone number is 1-646-716-9663.

Don't miss this great opportunity to receive additional support at a time where it is so easy to lose track of what is important in your life. Remember, it is really you who is important and it is you who is loved and has not been forgotten. Therefore take this time for you. You deserve it.

Love and blessings,

The Hierarchy of Light

MUM'S SPIRITUAL HOLISTIC EXPO
FALL 2017

"The Expo that Opened Another Door"

The Booth Number for the Light Bridge Center for Transformation is 145!

Come and visit us at MUM's Spiritual Holistic Expo in Allentown, PA, where Brigitte Boyea will offer her unique Celestial Reading and Healing Sessions as a channel and instrument of the Hierarchy of Light.

This year has already provided us with plenty of opportunities for spiritual growth and the continued release of old and outdated belief systems. As we assist in the anchoring of a new paradigm of love, peace and joy here on Earth, we are asked to keep transforming everything that interferes with this new consciousness. Therefore the importance of staying in a place of balance and love these days regardless of the outer circumstances has become undeniable one of our greatest tasks at hand.

Allow yourself to receive support in these times we live in. Come to our booth 145 where Angels and Ascended Masters will take you on a very personal inner journey of healing. You will receive energy attunements and assistance in general to help you with the days ahead.

For more information visit <http://www.mumexpo.com>.

[Join us also for a free lecture on Sunday, 9/17/17, at 3 pm. Focus will be "Support by the Ascended Masters".](#)

St. Germain, Ascended Master of Transformation, channeled by Brigitte Boyea, will speak to you about the effects the current awakening process has on us. Guidance will be given on how to deal with the sometimes very physical challenges that are a result of this. A unique energy attunement will also be offered to support you on your path.

10 AM to 6 PM on both days

Location: Allentown Fairgrounds Agriplex

302 N. 17th St., Allentown, PA

Teachings from Beyond this Solar System!

Location: The Spiritual Center, Windsor, NY

This is a very significant time in the evolutionary process of earth and humanity that not only affects us here, but also all inhabitants of this Universe and within All That Is. Therefore there is a great interest by those, who have walked the path of ascension already, to assist humanity in doing the same.

Join Galactic Masters of Love and Light from other galaxies, star and planetary systems such as Andromeda, Orion, Sirius, Pleiades and many more to receive guidance, healing and teachings this weekend. This will not only help you, but humanity as well.

You are an ambassador of the galactic realm here on earth. Now is the time to take on an even greater responsibility in this line of work. As you are guided by the Galactic Masters beyond this Solar System to bring healing, awakening and transformation to this world, it will also assist in dissolving the divide between the human mind and the cosmic consciousness of love.

A unique ceremony will take place Saturday evening to reinforce your

position as a member of the Galactic Council and galactic ambassador here on Earth.

As St. Germain, channeled by Brigitte Boyea, will be the host for all the weekends, a lot of inner transformation for all participants is guaranteed throughout the three days which in turn will affect your outer world to change as well. Therefore get ready for a new beginning on all levels of your life if you choose to join us.
