December class & event schedule is below message:

Message from St. Germain (channeled by Brigitte Boyea):

Greetings, my dear friends and fellow light workers,

December marks a powerful time of preparation in the northern hemisphere as the days lead up to the darkest night of the year on

the Winter Solstice and the birth of a new light and consciousness within all.

Often these days are anticipated with an uneasy feeling, seeing it more as a threat than a time of liberation. This couldn't be further from the truth.

When you allow the world to calm down, the lakes to freeze, the trees to become barren, the grounds to harden, everything is taking a deep breath in to come to a full stop, an absolute resting point. In this silence much can happen.

Don't feel that there are only monsters hidden in the shadows of the darkness. The contrary is quite the case. By slowing down and quieting your mind you have the opportunity to release old and stagnant energies and to transform further into your true, authentic Self.

Take heart, my dear friends, and embark on the journey within. Follow the magnetic pull of your divine essence that is calling to you. Listen to its message. Have faith. Know that the darkness of the winter months is the womb that gives birth to a new life ... your new life.

We, the Ascended Masters, who have walked the path of ascension before you, as well as the many Angels of Light that work ceaselessly for you behind the scenes, are always with you during this time of great change on Earth. We are the ones whispering in your ears not to give up, ensuring you that all the hard work is worth it, sending you love and light when you forgot where to find it and giving you more strength when you think you can't go any further. Pay attention to the small miracles in your life. Each small miracle is one of us cheering you on in gratitude for your willingness to assist Gaia on her path of awakening and ascension.

Rest assured, I am always with you, even in the darkest moments. You are never alone, that is the illusion to break. Let my love, compassion and deep appreciation for your willingness to continue on your path of liberation be your guiding light at all times.

Respectfully yours,

I am St. Germain

An Internet Radio Event of Transformation with St. Germain

Join us for a monthly radio show with St. Germain
channeled by Brigitte Boyea with celestial music by Mike Snyder
and celestial healing support by Mark Rawson

In these times of great change and new beginnings, it becomes increasingly more difficult to walk the path alone. Therefore use this radio show as an opportunity to receive love and support from someone who has walked the path of enlightenment and ascension before you.

Much has been written about St. Germain. Incarnation after incarnation he participated in freeing the human mind from restricting thought patterns in his constant attempt to liberate the human spirit from the bondage of the past. Now working from the higher realm as an ascended master of transformation, higher truth and mercy, his focus is again to guide you in this process of liberation and to remind you of your true divine origin.

In this one and a half hour radio event, St. Germain will use Brigitte Boyea and Mike Snyder as his channels to convey messages of love, empowerment and divine wisdom.

Mike Snyder will bring St. Germain's essence to you by playing his piano in alignment with the celestial realm. As music is a universal language that does not know barriers, it brings healing on a very deep level allowing you to open up your heart further to the divine love within and around you.

At the same time, Mark will add his powerful oneness blessings to Mike Snyder's channeled music bringing much healing and empowerment to the listeners.

Brigitte Boyea will then become St. Germain's voice. He will address current world issues and provide guidance to assist you in making new choices in your life. St. Germain will also take you on powerful inner journeys to offer specific energy attunements that unleash great transformational forces. This will further support you to live a life in alignment with your heart on your path of enlightenment.

To close the radio show Mike Snyder will play another channeled piece of celestial music to help you integrate what you have received during your time with St. Germain.

If time permits, listeners will be able to call in live to ask St. Germain a question. Callers are usually getting the opportunity to talk to St. Germain around 9 pm. The telephone number is 1-646-716-9663.

Don't miss this great opportunity to receive additional support at a time where it is so easy to lose track of what is important in your life. Remember, it is really you who is important and it is you who is loved and has not been forgotten. Therefore take this time for you. You deserve it.

Love and blessings,

The Hierarchy of Light

TIME FOR A NEW BEGINNING!
CELEBRATE THE WINTER SOLSTICE
WITH ST. GERMAIN

In 2017 the focus has been on balancing duality within our own self as well as in our lives. Only trust, faith and surrender to our Divine I Am Presence allowed us to move through the many tests of initiation we experienced in the process.

The Winter Solstice is a profound conclusion of these energies felt in 2017 that were very busy and exhausting on many levels. With the birth of a new light during the longest night of the year, it marks a powerful time of new beginnings.

In 2018, a year vibrating to the number 11, we will be moved even further into a place of mastership on our path of ascension and awakening. Therefore the light you are giving birth to at the Winter Solstice will be stronger and more radiant than ever before.

St. Germain channeled by Brigitte Boyea is going to guide you on a

journey into the great void of nothingness within yourself out of which all form is born. Thus the darkness of the Winter Solstice becomes the womb that gives birth to a new life.

There is great power to this type of union with the void. It is a place where tremendous transformational forces can be unleashed that will affect the matrix of all life, not only on Earth, but also within the Omniverse of All That Is, on its deepest level.

Mike Snyder will intensify the experience of this evening as he channels the higher frequencies of love and light from the celestial realm to us by playing his piano during the event. His music touches you at the core of your being allowing you to be more receptive to the empowerment and healing energies at hand.
