The March class & event schedule is below channeled message:

Message from St. Germain (channeled by Brigitte Boyea):

*Greetings, my dear friends and fellow light workers.*

*Be at peace with the world that surrounds you, no matter how difficult a task this seems to be at times. Remember, you don't know the full divine plan that is unfolding. How can you? After all, it is for your divine I Am Presence to know and implement it through you as a channel and instrument of love and light.*

*Rest assured that the divine plan seeks harmony, balance and the shift to a consciousness of love. Therefore take a deep breath, let go of the need to know and the need to control the direction of your path. Have trust and faith in your Divine I Am Presence to guide you safely into the new life that is awaiting you.*

*Allow every day to be an adventure of unexpected twists and turns that will eventually lead you to your freedom, one step at a time. Along the way there will be many wonderful revelations, meetings with like minded souls, miracles and opportunities to witness your divine essence outside of yourself.*

*Release the desire to find a firm set of instructions that will guide you through this transformation. They don't exist because life wants to unfold freely, without the limits of a pre-determined path. All that is per-determined is the destination, not the voyage itself on how to get there.*

*In the world of form, nothing will ever be as it seems. Everything is in constant movement, always changing. Out of the darkness the light is born and yet after a time of expansion, contraction must follow to create the space for introspection, new inspiration and the seed of new growth.*

*Eventually love will always prevail, no matter how much you question it or feel unworthy of the type of love your heart is yearning to experience.*

*Patience is your most valued asset on the path of ascension, my dear friends. Just as a seed needs to wait for the right conditions when the days get warmer and the frozen ground softens, so do you. Only then can the seed make its move upwards and break through the surface, just as you can then leave the darkness and limitations of the past behind and celebrate the light of a new dawn.*

*Every day you are stepping into new territory and are creating a new path. There is no map, there is no right or wrong answer, there is only the guidance of your heart, soul and spirit that you can follow from moment to moment. This time demands flexibility. If something doesn't happen immediately or unfold in the way you want it to, it doesn't mean that you are making a mistake or that you are on the wrong path. It only means that there is a necessary process that is still not fully completed for you to be able to move forward.*

*Be vigilant in using your tools to continuously transform discordant energies into love and light. Hand over your fears and sorrows to your Divine I Am Presence to carry for you. Honor your body, rest when rest is needed, cry when tears want to flow and celebrate your humanness as the beautiful manifestation of spirit that it is. After all it is through your physical human form that the Christ love can be anchored here on Earth for the benefit of all.*

*Have faith that, once you make it through this tunnel of transformation, a great new life shall be awaiting you filled with love, peace and joy.*

*I am always with you. Simply call on me and I will be right by your side to support you.*

*Respectfully yours,*

*I am St. Germain*

An Internet Radio Event of Transformation  
with St. Germain

Join us for a monthly radio show with St. Germain  
channeled by Brigitte Boyea with celestial music by Mike Snyder and  
celestial healing support by Mark Rawson

In these times of great change and new beginnings, it becomes increasingly more difficult to walk the path alone. Therefore use this radio show as an opportunity to receive love and support from someone who has walked the path of enlightenment and ascension before you.

Much has been written about St. Germain. Incarnation after incarnation he participated in freeing the human mind from restricting thought patterns in his constant attempt to liberate the human spirit from the bondage of the past. Now working from the higher realm as an ascended master of transformation, higher truth and mercy, his focus is again to guide you in this process of liberation and to remind you of your true divine origin.

In this one and a half hour radio event, St. Germain will use Brigitte Boyea and Mike Snyder as his channels to convey messages of love, empowerment and divine wisdom.

Mike Snyder will bring St. Germain's essence to you by playing his piano in alignment with the celestial realm. As music is a universal language that does not know barriers, it brings healing on a very deep

level allowing you to open up your heart further to the divine love within and around you.

At the same time, Mark Rawson will add his powerful oneness blessings to Mike Snyder's channeled music bringing much healing and empowerment to the listeners.

Brigitte Boyea will then become St. Germain's voice. He will address current world issues and provide guidance to assist you in making new choices in your life. St. Germain will also take you on powerful inner journeys to offer specific energy attunements that unleash great transformational forces. This will further support you to live a life in alignment with your heart on your path of enlightenment.

To close the radio show Mike Snyder will play another channeled piece of celestial music to help you integrate what you have received during your time with St. Germain.

If time permits, listeners will be able to call in live to ask St. Germain a question. Callers are usually getting the opportunity to talk to St. Germain around 9 pm. The telephone number is 1-646-716-9663.

Don't miss this great opportunity to receive additional support at a time where it is so easy to lose track of what is important in your life. Remember, it is really you who is important and it is you who is loved and has not been forgotten. Therefore take this time for you. You deserve it.

Love and blessings,

The Hierarchy of Light

### ***Celebrate the Spring Equinox with St. Germain***

The Spring Equinox is such a mystical time on our path of enlightenment. Not only does it symbolize further ascension out of the darkness into the light, but it is also a time where darkness and light come together in a sacred agreement to be in absolute peace with each other, even if it is only for one moment. No pull, no struggle, only total surrender to the sacredness of the unification into oneness within the eternal essence of all that exists for one brief instant.

When day and night reaches this point of equilibrium, it also signifies an opportunity for us to delve deep inside of ourselves to do the same with the duality residing within and around us. We are part of this earth, this solar system and this galaxy. Therefore events like the Equinox are more than just external in nature. They touch us at the core of our existence.

Therefore come and celebrate a time of new beginnings and the promise of tremendous spiritual growth together with St. Germain this evening, as he will come through Brigitte Boyea as his channel.

As a Master of Transformation and one of the most influential Ascended Masters assisting humanity at this time, he will guide you to experience ascension out of the darkness to the sacred moment of total unity between the light and darkness within, only to then step further into the light. He will lead you to a place of greater balance and peace and awaken within you the seed for much divine potential to come into manifestation.

Mike Snyder, a powerful channel of the Divine, will accompany St. Germain throughout the evening with music that he will be playing on his piano. This will increase the effects of healing and empowerment during this event.

**Join us for an Afternoon of Illumination and Purification  
with St. Germain  
Master of Transformation and Mercy**

As we move out of the darker days of the winter months we begin to witness the first signs of spring. Our heart expands and we can feel the stirring of a new seed coming alive within our own selves that is ready to break through the unconscious into its full manifestation in the physical realm.

Yet this is also a time where we still are a bit fragile from all of the deep purging and transformational process we have been going through.

Therefore join us this afternoon and allow the loving guidance and support of St. Germain to assist you in releasing any residue of the hardship of the last few months to prepare you for an effortless transition into a more liberated divine expression of who you are. He will use Brigitte Boyea as his channel to take you on a journey through the portal of your heart into the divine light essences of source consciousness that encompasses all of creation. Through this connection and alignment you will be experiencing a purification of body, soul and spirit that brings clarity to all aspects of your life. New choices can be made, the past can be released and the beginning of a new life can unfold.

Mike Snyder will also add his powerful gifts as a channel of the Hierarchy of Light to this afternoon. He will intensify the experience as he channels the higher frequencies of love and light from the celestial realm to us by playing his piano during the event. His music touches you at the core of your being allowing you to be more receptive to the healing and purification that will take place.

At the end of the event, if time permits it, the group will also get the opportunity to ask St. Germain questions.

## **Celebrate the Festival of the Christ** **with Lord Maitreya**

On the next three consecutive full moons three of the most holy days are celebrated with great reverence by the Hierarchy of Light and those who choose to join them. These days are the Festival of the Christ on March 31st, the Wesak Festival on April 29th and the Day of Humanity also known as the World Invocation Day on May 29th.

Therefore please join us at the first of the three full moons on March 31st to celebrate the festival of the living and risen Christ within and around us.

The life as well as the resurrection of Jesus after his physical death plays a significant roll in understanding the power of the Christ consciousness, the power of love as well as the power of transformation in each of our lives.

Galactic avatar Lord Maitreya who overlighted and shared Jesus' body in the last three years of his life will be present to unleash forces of restoration during this event bringing great healing to all those who participate.

Love transforms all. Love is limitless. Love is at the core of our essence. Let the Masters of the Christ love touch and uplift you. As

they assist you in awakening the Christ within you even further, you in turn will be able to do the same to those you come in contact with as you go out into the world.

Brigitte Boyea will be used as a channel and instrument by the Hierarchy of Light for this event.

Mike Snyder will also add his beautiful divine gifts to this evening. He will intensify the experience as he channels the higher frequencies of love and light from the celestial realm to us by playing his piano during the event.
