Message from St. Germain (channeled by Brigitte Boyea)

Greetings, my dear friends and fellow light workers!

These are truly unprecedented times you live in. Have the courage and allow yourself to descend into the darkness of your unconscious during this current new moon and at the time of the next full moon. Much is about to change in the next few weeks and months. No matter how much you might want to control this process or try to make sense of it, all you are asked to do is to continuously let go of all attachments and expectation and allow your Divine Self to guide you where

you need to be from one moment to the next.

You have embarked on the path of the Mystic and Initiate in this life time. This path is often walked blindfolded with only glimpses of directions that offer the opportunity to make choices from your heart instead of a place of fear. Just know, no matter what it looks like at first, you are standing on fertile ground ready to bring new life into manifestation.

Have faith. You are not lost or alone. You are also not making any mistakes or losing your mind. Take a deep breath, relax and let yourself slowly float in the ocean of emotions. Feelings seek to surface now that need to be acknowledged as they have been suppressed for too long.

You are safe and supported by the Divine Hierarchy of Light as you open your heart in new ways. And opening your heart further than ever before is exactly what the current transformation is all about. This leads to greater love in your life; love for yourself and love for all of creation. You will begin to see, hear and feel things that you have not allowed into your awareness before. In the beginning it might make you angry or feel disappointed with your own Self. But as time passes you will witness a sense of deep inner peace as you release layers of protection that once kept you safe and now keep you limited.

Be gentle with yourself, soften, and don't be afraid to enter what appears to be the darkness of your inner Self. It is time for you to fully open the portal of the Cosmic Christ Heart within your own Self to then in turn become a clear channel and instrument of Universal Love in the physical realm. This is what you were always meant to be.

Blessings to you during this time of transformation. Release all fear and know that this is just another level of awakening you are experiencing to assist Gaia as well as yourself in the ascension process.

I am St. Germain and my love is with you, always!

An Internet Radio Event of Transformation with St. Germain

**Join us for a monthly radio show with St. Germain
channeled by Brigitte Boyea with celestial music by Mike Snyder and
celestial healing support by Mark Rawson**

**In these times of great change and new beginnings, it becomes
increasingly more difficult to walk the path alone. Therefore use this
radio show as an opportunity to receive love and support from
someone who has walked the path of enlightenment and ascension
before you.**

Much has been written about St. Germain. Incarnation after incarnation he participated in freeing the human mind from restricting thought patterns in his constant attempt to liberate the human spirit from the bondage of the past. Now working from the higher realm as an ascended master of transformation, higher truth and mercy, his focus is again to guide you in this process of liberation and to remind you of your true divine origin.

In this one and a half hour radio event, St. Germain will use Brigitte Boyea and Mike Snyder as his channels to convey messages of love, empowerment and divine wisdom.

Mike Snyder will bring St. Germain's essence to you by playing his piano in alignment with the celestial realm. As music is a universal language that does not know barriers, it brings healing on a very deep level allowing you to open up your heart further to the divine love within and around you.

At the same time, Mark Rawson will add his powerful oneness blessings to Mike Snyder's channeled music bringing much healing and empowerment to the listeners.

Brigitte Boyea will then become St. Germain's voice. He will address current world issues and provide guidance to assist you in making new choices in your life. St. Germain will also take you on powerful inner journeys to offer specific energy attunements that unleash great transformational forces. This will further support you to live a life in alignment with your heart on your path of enlightenment.

To close the radio show Mike Snyder will play another channeled piece of celestial music to help you integrate what you have received during your time with St. Germain.

If time permits, listeners will be able to call in live to ask St. Germain a question. Callers are usually getting the opportunity to talk to St. Germain around 9 pm.

The telephone number is 1-646-716-9663.

Don't miss this great opportunity to receive additional support at a time where it is so easy to lose track of what is important in your life. Remember, it is really you who is important and it is you who is loved and has not been forgotten. Therefore take this time for you. You deserve it.

Love and blessings,

The Hierarchy of Light

**EMBRACE THE POWER OF THE SUMMER SOLSTICE
WITH ST. GERMAIN**

The Summer Solstice is a time where the power and influence of the Light is felt the strongest. Due to the many shifts that have occurred already in 2018 and will continue to take place through out this year and beyond, St. Germain, Master of Transformation and Freedom, will assist all present to adjust more easily to the dance of opposing forces experienced everywhere, whether it is between the light and darkness, love and fear, abundance and loss, male and female relationships.

St. Germain, channeled by Brigitte Boyea, will once again take you into the inner realm to receive an attunement to become an even more conscious light bearer of a very focused frequency of love. As in previous years, this vibrational frequency needs to be carried all the way to the Winter Solstice at which point it will be merged with its opposing counter part. This will assure a balance necessary for the continued peaceful and harmonious transition to a new consciousness here on Earth.

Know that you have worked really hard the first 6 months of this year to make room for this infusion of a greater light to enter your whole beingness. Allow yourself now to receive this light at the Summer Solstice as it will further move you into alignment with your Divine I Am Presence assisting in the sacred union between your human and divine Self.

Mike Snyder, a powerful channel of the celestial realm, will accompany St. Germain throughout the evening with music that he will be playing on his piano. This will increase the effects of the attunement and empowerment during this event.

Date, Time, Location and other Details:

Saturday, June 23rd, 7:30 PM to 9:00 PM
Location: Light Bridge Center for Transformation

June 29th - July 1st, 2018

The Ascended Masters and the Alchemy of Love!

2017 was a year of preparation. The question remains if we are truly ready to come face to face with all parts of our Selves in 2018. It is a year of mastership, a year where we learn to apply all aspects of ourselves for the benefit of the awakening process for all on Earth.

In many ways we will continue to review where we are and which way we are heading. Then we will have to decide moment by moment whether we choose to live our heart felt truth or to deny ourselves this form of freedom by stepping back into the limited world of our minds.

Most importantly it will be a year where we can no longer refuse for

our Divine I Am Presence to guide and direct us in the face of adversity. Therefore more than ever are the nurturing energies of feminine Ascended Masters such as Mother Mary, Lady Nada, Quan Yin and White Buffalo Woman needed to teach us about the Alchemy of Love and to awaken within us a new way to bring peace back to every part of our lives.

Join these feminine Ascended Masters to open up your heart further to the creative forces of the power of love at this retreat weekend. Attunements will be offered that will align all of your chakras with the frequency of the Holy Spirit to raise you up to new potentials of bringing heaven on earth.

A ceremony Saturday evening will seal your connection to a specific feminine Ascended Master who will become your guardian at the threshold of a raised heart frequency for all. This is how we will give birth to a new paradigm of oneness on earth through the Alchemy of Love.
